Pursuant to paragraph 3 of the Order Amending Order Regarding Discovery and Motion Schedule (ECF 2647), the Walker River Irrigation District, Nevada Department of Wildlife, Lyon County, Centennial Livestock and Mono County, Desert Pearl Farms, LLC, Peri Family Ranch, LLC, Peri & Peri, LLC and Frade Ranches, Inc., the Schroeder Group, and the California State Agencies (California State Water Resources Control Board, California Department of Fish and Wildlife, and California Department of Parks and Recreation) (herein, the “Principal Defendants”), report to the Court and the parties on the status of the Archive/Records Offices as defined in said Order. As noted in the August 2, 2021 Report, on July 16, 2021, the National Archives Records Administration (NARA) issued a press release stating that it was starting to resume research operations, and that starting Monday, August 2, 2021, most National Archives research rooms would reopen for research on a limited basis. However, on or about August 16, 2021, National Archives in Washington, D.C. announced it was again closed with no information on when it might reopen. The National Archives, College Park, Md, the National Archives, San Bruno, the National Archives, Riverside and the National Archives, Seattle are all closed, also with no information on when they might reopen. All of these facilities offer the following information on their websites: “once public health conditions improve, and we are able to reopen our research room, we will update our website with additional information.” As of this date none have reopened.

As of September 1, 2021, the Nevada State Archives continues to be open with limited hours from 10:00 AM to 2:00 PM on business days. As of September 1, 2021, the other Archive/Records Offices as defined in said Order and not mentioned above remain closed.
